**Our Financial Policy**

**Thank you for choosing us for your dental care. We are committed to the success of your treatment. Please understand that payment of your bill is considered part of your treatment. The following is a statement of our Financial Policy. We respectfully request that you initial each paragraph and sign at the bottom. Thank you.**

**Regarding Payment...**

FULL PAYMENT IS DUE AT THE TIME OF SERVICE

We accept cash, checks, or VISA/MC

We also offer payment plans through Care Credit.

**Regarding Missed Appointments...**

In an effort to keep timely appointments our office does not "double book" appointment times. Our time is reserved and dedicated solely to you and you will seldom, if ever, have to wait. Because of this changes in our schedule can be catastrophic. We ask that any cancellations or changes to your appointment times be made at least 24 hours prior to your scheduled appointment. If we are not notified 24 hours prior to your appointment, then we may regrettably charge your account. Missed appointments are charged \$40.

**Regarding Contracted Insurance...**

Our practice participates with the following insurance plans: **MetLife, Ameritas and Aetna**. If you have any question whether or not our practice participates with your particular plan, please speak directly with the receptionist. If your plan is one with which we participate, we will bill and collect according to your plan. All deductibles, co-payments and disallowed charges will be due at the time of service.

**Regarding Non-Contracted Insurance...**

Your insurance coverage is a contract between you and your insurance company. Our professional services are rendered to you and not to your insurance company. Therefore, you are directly responsible to us for the obligation of payment for treatment. We will do the utmost to help you derive the maximum benefits to which you are entitled, provided you supply us with a current insurance card. Please be aware that some of the services provided may not be covered or be considered above the "usual and customary." Our practice is committed to providing the best treatment for our patients, while charging what is reasonable and customary for our area. You are responsible for payment of your account, regardless of any insurance company's arbitrary determination of usual and customary fees. If insurance has not responded to a claim within 60 days of submittal, the full account balance becomes the account holder's responsibility.

**Regarding Unpaid Balances...**

Past due balances are subject to a monthly service charge of 1.5% minimum. Any unpaid balance after 90 days will be subject to collection, including without limitation, referring the account to a collection agency and or bringing an action in the NC courts. You will be responsible for any cost incurred during the collection procedures. We realize that emergencies occur. Should an unforeseen situation prevent you from making a prearranged payment, please contact our office to avoid the possibility of a misunderstanding.

**THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY**

---

We respect our legal obligation to keep health information that identifies you private. We are obligated by law to give you notice of our privacy practices. This Notice describes how we protect your health information and what rights you have regarding it.

**TREATMENT, PAYMENT, AND HEALTH CARE OPERATIONS**

The most common reason why we use or disclose your health information is for treatment, payment or health care operations. Examples of how we use or disclose information for treatment purposes are: setting up an appointment for you; examining your teeth; prescribing medications and faxing them to be filled; referring you to another doctor or clinic for other health care or services; or getting copies of your health information from another professional that you may have seen before us. Examples of how we use or disclose your health information for payment purposes are: asking you about your health or dental care plans, or other sources of payment; preparing and sending bills or claims; and collecting unpaid amounts (either ourselves or through a collection agency or attorney). "Health care operations" mean those administrative and managerial functions that we have to do in order to run our office. Examples of how we use or disclose your health information for health care operations are: financial or billing audits; internal quality assurance; personnel decisions; participation in managed care plans; defense of legal matters; business planning; and outside storage of our records.

We routinely use your health information inside our office for these purposes without any special permission. If we need to disclose your health information outside of our office for these reasons, we usually will not ask you for special written permission.

**USES AND DISCLOSURES FOR OTHER REASONS WITHOUT PERMISSION**

In some limited situations, the law allows or requires us to use or disclose your health information without your permission. Not all of these situations will apply to us; some may never come up at our office at all. Such uses or disclosures are:

- when a state or federal law mandates that certain health information be reported for a specific purpose;
- for public health purposes, such as contagious disease reporting, investigation or surveillance; and notices to and from the federal Food and Drug Administration regarding drugs or medical devices;
- disclosures to governmental authorities about victims of suspected abuse, neglect or domestic violence;
- uses and disclosures for health oversight activities, such as for the licensing of doctors; for audits by Medicare or Medicaid; or for investigation of possible violations of health care laws;
- disclosures for judicial and administrative proceedings, such as in response to subpoenas or orders of courts or administrative agencies;
- disclosures for law enforcement purposes, such as to provide information about someone who is or is suspected to be a victim of a crime; to provide information about a crime at our office; or to report a crime that happened somewhere else;
- disclosure to a medical examiner to identify a dead person or to determine the cause of death; or to funeral directors to aid in burial; or to organizations that handle organ or tissue donations;
- uses or disclosures for health related research;
- uses and disclosures to prevent a serious threat to health or safety;
- uses or disclosures for specialized government functions, such as for the protection of the president or high ranking government officials; for lawful national intelligence activities; for military purposes; or for the evaluation and health of members of the foreign service;
- disclosures of de-identified information;
- disclosures relating to worker's compensation programs;
- disclosures of a "limited data set" for research, public health, or health care operations;
- incidental disclosures that are an unavoidable by-product of permitted uses or disclosures;
- disclosures to "business associates" who perform health care operations for us and who commit to respect the privacy of your health information;

Unless you object, we will also share relevant information about your care with your family or friends who are helping you with your dental care.

**APPOINTMENT REMINDERS**

We may call or write to remind you of scheduled appointments, or that it is time to make a routine appointment. We may also call or write to notify you of other treatments or services available at our office that might help you. Unless you tell us otherwise, we will mail you an appointment reminder on a post card, and/or leave you a reminder message on your home answering machine or with someone who answers your phone if you are not home.
